Be unique

👁 26 ✓ 2 ★ 2

Chapter 1 by Totally Olive

Being unique is better than being what everyone else wants you too be. It doesn't matter if someone thinks its stupid it's what you want and I hate that some people don't understand that. It's easier to be your self then what others want you to be. It really is. Just try it. One day where what you want not what you're friends want you to wear. Be you're own person and do what you love. It's not that hard people. It just takes a little effort. And sometimes it takes a lot of effort. But hay as a friend once told me.

"You do you scooby doo and let me be me!"

Chapter 2 by SaintSayaka

This is the pep talk that I give myself when I fit through the long, laced outfit. I stare at myself in the mirror, hardly recognizing the girl I've become.

My entire life, I've played the role of the kid your parents never wanted you to hang out with. I was smoking cigarettes at ten (thanks, Dad). I dyed my hair black at thirteen, and my clothes followed suit. I wouldn't say that I was particularly dangerous, but I'm sure that my colored contacts made a few teachers and students alike hesitant to approach me.

That being said, I did have my own style. I never even set foot in school, preferring to roam town instead. There were complaints about it sure, but nobody had ever done anything about it. The ones that did (and I'm sure they were the ones who made assumptions about our culture).
